☐ Check this box **to receive free disease education, patient stories, financial support options and other materials tailored to my treatment journey and about other products and services from Genentech, its affiliates and its service providers.**

It may be necessary to use my personal health information to provide me with these materials. I understand that providing this is voluntary and plays no role in getting services or my medicine. I may withdraw my consent at any time by calling **(877) 436-3683**.

☐ Check this box **to receive the materials described above directly to my phone (call or text) from and on behalf of Genentech at the phone number(s) I have provided on this form.**

I understand that I do not need to agree to receive calls/texts as a condition of receiving goods, services or my medicine. These communications may be made using an automatic dialing system or an artificial or prerecorded voice. Message frequency may vary. Message and data rates may apply. I may opt-out at any time by texting STOP or by calling **(877) 436-3683**.

2 Patient Support Services Terms and Conditions

By signing below, I agree to enroll in Genentech patient support services (the "Services") and authorize Genentech and its service providers to use and disclose my information, including sensitive personal information, for coverage verification, financial assistance, care coordination and other support services.

These Services are entirely voluntary, are not a condition of health care treatment or medication access and do not obligate my health care provider to prescribe Genentech products. I am not required to consent to this processing, but, if I do not consent, I will not be able to receive the Services. I may withdraw my consent at any time by calling **(877) 436-3683**. Genentech reserves the right to modify, pause or cancel these free Services at any time without notice. For information on your privacy rights, review the Genentech Privacy Policy at **www.gene.com/privacy-policy**.

4 HIPAA Authorization for the Use and Disclosure of Health Information

Who is sharing my information, and what are they sharing?

I give my health care providers (my doctors, their staff, my pharmacies, lab service providers and my health insurance plan) permission to disclose and redisclose my protected Health Information (collectively, "Health Information"). This includes my contact details, basic facts about me, financial information and details about my health, medical treatments and insurance.

Who is receiving my information?

My health care providers may share this information with Genentech, USA Inc., the Genentech Patient Foundation, and their partners, affiliates, service providers and agents (collectively called "Genentech").

Why is my information being shared?

I'm authorizing Genentech to receive, use, share and re-share my Health Information so that I can enroll and participate in Genentech patient support services (the "Services"). I give Genentech permission to collect, use, share and re-share my Health Information to:

- Sign me up for the Services and, if applicable, process my application for the Genentech Patient Foundation
- Check if I can get financial assistance, such as co-pay help, and help me sign up for it, if I qualify
- Communicate with my health care providers to help understand or check my coverage for Genentech products
- Monitor for safety and quality and to improve Genentech products and services
- Contact me by mail, email, text or phone using the information I gave on this form for purposes related to my participation in the Services, including to discuss my coverage, costs and whether I can get financial assistance and to send Services-related resources
- Support internal Services operations, analytics and improvement, including to manage my relationship with Genentech and personalize my Services
- Help me get my Genentech products
- Meet and support Genentech's legal and compliance purposes

I understand that Genentech may also share my Health Information, including sensitive Health Information, for these same purposes with my health care providers, service providers and any alternate contact I have listed.

Important things I understand

- **My Choice:** I do not have to sign this authorization. My health care providers cannot make me sign this to receive treatment, payment or insurance benefits. However, Genentech cannot provide the Services to me without my signature
- **Provider Payment:** My health care providers might receive payment or remuneration for sharing my Health Information for these Services
- **Privacy Protections:** Once my Health Information is shared under this authorization, it may no longer be protected by state and federal laws like HIPAA and the recipient could redisclose it. However, Genentech will only use and share it for the purposes listed here or as the law permits

4 HIPAA Authorization for the Use and Disclosure of Health Information (continued)

My rights

- **How long this lasts:** This authorization is valid for **6 years** from the date I sign it or the date I last enrolled (whichever comes first), unless the law requires a shorter time. If I live in Maryland or California, this authorization is valid for **1 year** from the date I sign
- **How to cancel:** I have the right to cancel (revoke) this authorization at any time by calling **(866) 422-2377** or submitting a written notice to: Genentech Access Solutions, 1 DNA Way, South San Francisco, CA 94080-4990
- **What happens if I cancel:** If I cancel, I will no longer be eligible for the Services described. The cancellation takes effect when my health care providers receive notice of it, but it will not undo any sharing of my information that has already happened
- **Getting a copy:** I have the right to receive a copy of this authorization. I can request a copy at any time by calling the number or writing to the address listed above
- **More privacy info:** I can read more about my privacy rights, including specific state rights, in Genentech's privacy policy at **www.gene.com/privacy-policy**

5 Genentech Patient Foundation Eligibility - Complete only if applying for financial assistance

The Genentech Patient Foundation gives free medicine to people who are uninsured, are insured without coverage or with financial concerns and meet eligibility criteria.

To determine your eligibility, complete this section acknowledging that you have provided accurate, complete information and agree to the terms and conditions below.

How many people live in your household? Include yourself, your spouse, and any legal dependents for whom you are financially responsible.

☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ Other: _____

What is your annual household income before taxes? $ _____

6 Genentech Patient Foundation Terms and Conditions

- **My responsibilities:** If I receive free medicine from the Genentech Patient Foundation, I will not sell or give out the medicine because it is illegal to do so. I am responsible to ensure that the medicine is sent to a secure address when shipped to me and I must control any medicine that I receive
- **Income verification and audit:** I understand that, for purposes of an audit, the Genentech Patient Foundation may ask me for a copy of my IRS 1040 Form or other proof of income
- **Alternative funding programs:** Some insurance plans and/or employers partner with organizations known as alternate funding programs. Such arrangements require patients to apply to the Genentech Patient Foundation as a condition of, or prerequisite to, coverage of relevant Genentech products. These alternate funding programs include SHARx, Paydhealth and Payer Matrix, among others. Patients whose insurance plans and/or employers use an alternative funding program are ineligible for support from the Genentech Patient Foundation
- **Employer and insurance plan attestations:** I acknowledge that, to the best of my knowledge, neither my insurance plan nor my employer (1) required me to apply to the Genentech Patient Foundation and/or (2) changed or hid my insurance coverage for my Genentech medicine to make me appear to be underinsured and eligible for support from the Genentech Patient Foundation. I am not applying to the Genentech Patient Foundation on behalf of someone whose insurance plan and/or employer partners with an alternative funding program. The Alternate Contact listed on my application (if any) is not associated with or a representative of my insurance company, employer or a business partner of my insurance company or employer. If I subsequently learn that my insurance plan and/or employer uses an alternative funding program, I agree to inform the Genentech Patient Foundation immediately and understand that I will no longer be eligible for support
